1. Troop trains loaded at the Wustermark railroad station and dispatched to Falkenberg between 27 and 30 December 1952 included: a train of 6 converted boxcars, 15 boxcars and an undetermined number of flatcars with air force personnel and 15 trucks on 27 December; a train of 7 converted boxcars, 23 boxcars and an undetermined number of flatcars, with air force personnel and 13 trucks on 29 December; and a train of 31 boxcars, 9 flatcars and 3 tank cars with military goods, nine trucks and gasoline on 30 December.

2. Troop trains from Wustermark to Falkenberg included: a train of 4 converted boxcars, 27 boxcars and 8 flatcars, on 29 December; and a train of 3 converted boxcars, 26 boxcars and 17 flatcars on 1 January 1953.

Comment. Three troop trains from Wustermark and Dallgow-Doberitz to Falkenberg respectively were previously reported

The present report indicates that, until and including 1 January 1953, a total of five troop trains was dispatched to Falkenberg. The trains probably carried one of the two ground attack regiments previously stationed at Doberitz airfield. The regiment and its ground unit was transferred to Alt-Loennowitz airfield near Falkenberg.
